SUBJECT: CLEARANCE FOR NIH'S PROPOSED AWARD OF RESEARCH  
PROJECT NO. AI069923 01.

REF: STATE 90661

From the standpoint of U.S. foreign policy implications, Post has no objection to NIH's proposed award of research project entitled "Ccasanet: Caribbean, Central and South America Network" as described in Reftel.

Post would appreciate a brief semiannual status report on this project. Please email to both of the officers below.

--Environment, Science, Technology and Health Officer (Hal Howard: [HowardHH@state.gov](mailto:HowardHH@state.gov))

--Chief of the USAID/Peru Office of Health (Susan Thollaug: [sthollaug@usaid.gov](mailto:sthollaug@usaid.gov))

Post appreciates the NIH's assistance.
